a. Why is [redacted] (TSS) involved in Project Artichoke?

Comments: TSS has a very limited interest in Artichoke, which is apparently along the lines of procurement and research. [redacted] (New York Field) has some reservations about [redacted] but he did a very successful [redacted] has some reservations about [redacted] but he did a very successful job with [redacted] (San Francisco) recently. Basic responsibility for Artichoke is still Security/Medical.
